The school really is at the heart of this community and has such a happy feel throughout. Keep up the good work – it's appreciated!  
 We feel Valewood is a very nurturing school and focuses on strengths which in turn gives children confidence to improve in areas they struggle.  
 The school's inclusivity and holistic approach to education is building academic skills, resilience and a real sense of community.  
 Very happy with the school and the teachers.  
 Great support and challenging student progress.  
 My son is flourishing at Valewood. He is confident and this is being nurtured. He is loving Y1 and we are very happy with the support/input he receives.

PTO

My children both enjoy attending Valewood and have good reports and are both well-mannered in/around school, learning life skills as well as the core subjects.

Valewood is a nurturing, safe environment where each of our child's strengths are genuinely valued. Thank you.

Very happy that my daughter is being educated here. We are pleased with all aspects of her schooling and has made friends easily as she was so timid at first.

Thank you for all your help and support to ensure our children get the best experience out of school life.

I have had no concerns about my children at this school. All the teachers and the Head are fantastic!

It's a fantastic school!

My daughter loves going to Valewood and she is very happy here with her friends, teachers & after school club ladies!

Our son is thriving at VPS!

I think Valewood is very inclusive and its values are similar to my own.

We are delighted with the progress made this year. A truly wonderful school.

No experience of bullying at Valewood, thankfully.

Thank you for all your help and support to ensure our children get the best experience out of school life.

We could not be happier with the superb learning environment that our child experiences every day at Valewood. Not only is she exceeding all of our expectations by learning within a creative, nurturing atmosphere, but equally importantly, she loves coming to school every day as she feels safe, secure and most importantly happy!!

We have seen a marked improvement in our son's enthusiasm in school & all this term. In a short space of time Mrs Salzano has supported and challenged the class to be their best. Long may it continue!

So happy with the change of teacher this year.

My daughter like my older two children is very happy at Valewood.

We are delighted with progress under Mrs Salzano.

Fabulous Y3 teacher, a great start – so passionate and caring - we have seen our child come on in leaps & bounds!

Good teacher engagement.

Can't tell you enough how thrilled we are with Mrs Salzano!

Couldn't ask for any more support for my son or a better school!

Valewood is a fantastic school which nurtures and challenges the children. Most of all, they understand our children as individuals and enable them to have a voice in the school environment.

We love it: it's Great!

Mixed emotions with my child here.

I have had no concerns about my children at this school. All the teachers and the Head are fantastic!

Our family is supported by Valewood in a way that we cannot explain. My family often comment on how friendly and welcoming the staff are and we could not be any happier with the school. Thank you to Ms Tantouri and your staff!

Very happy that my son is working very hard in school.
