The Language of Argument – Agreement and Disagreement	An argument for is..... Because..... An argument against is.....because..... I understand however / due to / but / therefore I accept your decision however I feel / believe..... Because / as / due / to.....
The Language of Comparison –Comparing and Contrasting and.....are both.....and.....are alike in that.....and.....are similar because.....and.....are different in that.....is.....but.....is.....is.....but.....is.....is.....while.....is.....
The Language of Deduction –Making an assumption based on prior knowledge	I conclude that.....because..... I found that.....because..... As a result of.....I conclude that..... After looking at the data/information/results I conclude that..... On observing I found that.....
The Language of Description –Describing	It looks/feels/sounds/smells like..... It appears to be.....because..... It seems to be.....as..... I think it looks like.....due to..... It reminds me of.....because / therefore / meanwhile..... <i>Why? How/? What? Tell Me About...</i>
The Language of Evaluation –Evaluative Talk	I found this work.....because..... Next time I could/would..... Maybe you could try..... / I feel that..... I enjoyed it because.....was successful / ambitious because.....

VPS Oracy – Language Progression

	You could improve this work by.....
The Language of Explanation	How..... Why..... Where..... When..... What..... After..... Then / As a result of / Later / because
The Language of Explaining in a Mathematics context	If you.....then..... First..... After that..... I know.....because.....and..... are alike in that..... /and.....are similar because.....is.....but.....is..... /is.....while.....is..... When....., / If.....,, So
The Language of Hypothesis - a suggestion that explains something, based on evidence	Because I know that.....I know that..... Due to this.....I know that.....
The Language of Opinion	I agree/disagree because..... I appreciate/understand.....'s opinion because/as/due to..... However I feel.....because/as/due to..... My opinion/view is.....because/as/due to..... I believe.....because..... What is your opinion.....How do you feel.....Why do you feel.....
The Language of Prediction - Predicting	I predict that.....because.....however/meanwhile/therefore/also..... I predict that.....after..... I predict that.....as a result of..... This is probable because.....and.....are different in that.....therefore as a result..... After.....I predict that..... The outcome will be.....because..... <i>What do you think? How did you come to that prediction?</i>
The Language of Retelling – Events and story telling	Once upon a time..... Once there was..... As a result of..... Meanwhile..... I remember that..... Then this happened..... Later on..... Eventually
	Unfortunately..... Luckily.....
