

Y3 RE -Summer Term 2

Why are festivals important to religious communities?

This half term, we will explore how some religious groups celebrate their faith. Our research will be through videos, books and from the internet. We will focus on the following questions: -

- What are the faith stories that explain Christmas, Pesach and Diwali?
- Are there any connections between the stories of The Christmas Nativity and Diwali Festival of light?
- What matters most to believers during Eid and Easter?
- Can you find any similarities or differences in the way that faith festivals are celebrated in Islam, Judaism, Christianity and Hinduism?
- Why are festivals valuable to people?
