Monday 11th October 2024

Dear Parents & Carers,

Y4 Residential to Whitehough Outdoor Centre – July 2025

I am excited to confirm with you all that I have made a reservation with Whitehough Outdoor Centre regarding the childrens' residential in Y4. Whitehough is an activity centre that provides the children with an opportunity to experience outdoor and adventurous activities whilst also developing self-confidence and team-building skills. I have attended residentials many times before, and the experience for the children is always outstanding, providing them with memories for life.

Due to the popularity of CHET, I was unable to secure dates for their site for 2024/ 2025. However, I have been able to book our residential for Monday 30th June 2025 – Wednesday 2nd July 2025 at the Whitehough Centre in Barley, Burnley. The full address is Barley New Rd, Barley, Burnley BB12 9LF and it is approximately 1 hour and 10 minutes away from Valewood.

The website is: <https://whitehough.org/> if you would like to have a look at some of the amazing activities and experiences that your child will be involved in.

The cost of the residential is £255 per child and this includes transport via coach as well as the children's food, board and activities. If you would like to secure your child's place then a £30 non-refundable deposit is payable via Arbor before the end of October 2024. The payment for the residential will be added to your child's Arbor account with all balances to be paid in full by the end of May 2025.

***Please note that the current cost of £255 is calculated based on the group size following on from my ClassDojo message asking for an expression of interest. If any children do drop out then there is a chance that the cost could rise.**

The team of staff accompanying the children are: Mrs Salzano, Mrs Parr, Mrs Petrou and Mrs Robinson.

If you have any questions about the residential, then please do not hesitate to ask. What an amazing time they are all going to have!

Kind regards,

Mrs Salzano
