

Dear Duty Bearers

(That's all adults)

OUR Future is in **YOUR** hands!

In year 4, we have been learning about the Sustainable Development Goals as set out by The United Nations.

Although we are passionate about all of the goals, we have decided to learn more about three of them and promote them to you all. These are the Goals we have chosen:-

GREENPEACE

According to a study by Greenpeace in 2019 -

“The River Mersey contains proportionally more plastic pollution than the infamous Great Pacific Garbage Patch, an area recognised by scientists as one of the most plastic-polluted expanses of water on earth.”

As our city and school sit on the banks of the River Mersey, we feel it is ours and your responsibility to do something about it.

Choosing to ignore these goals is a direct breach of our rights as you will see in Articles 6, 14, 29 and 41 in ‘The United Nations Convention on the Rights of the Child’.

So, we would like you to help us to support these goals in order to secure our future and the future of our wonderful planet Earth.

How can you help?

Sustainable Development Goal 12 – Responsible consumption and production	Sustainable Development Goal 13 – Climate Action	Sustainable Development Goal 14 – Life Below water
<ul style="list-style-type: none"> ~ Recycle all items you no longer need. ~ Give away unwanted household items. ~ Sell unused and unwanted items ~ Shop locally ~ Consider buying second hand items. ~ Use both sides of paper 	<ul style="list-style-type: none"> ~ Walk, cycle or use public transport if you can. ~ Try not to use single use plastic. ~ Shop locally for locally sourced, grown and produced products. ~ Turn off lights and electronics when they are not in use. 	<ul style="list-style-type: none"> ~ Join or start a regular beach clean-up group ~ Support Climate Action Goal 13 ~ Use a re-fillable water bottle. ~ Use plastic, reusable tubs instead of Clingfilm ~ Never use or buy plastic straws
