

Year 6

Spring Term - RE

Is it better to express your religion in arts and architecture or in charity and generosity?

In this unit, we will consider the following questions:

- Can I make connections between examples of religious creativity?
- Can I show an understanding of the value of sacred buildings and art?
- Can I suggest reasons why some believers see generosity and charity as more important than buildings and art?
- Can I apply ideas and values and from scriptures to debate the title question?

Article 14 - You have the right to think what you like and be whatever religion you want to be, with your parents' guidance.
