

A warm welcome from the Chief Executive Officer

Dear Parents and Carers,

I am delighted to introduce myself as the new Chief Executive Officer of Mersey View Learning Trust. It is with great pride and privilege that I take on this role and I am excited to begin this journey with you and your children from August.

Growing up in Waterloo and Crosby, I feel a deep connection to our schools, families and the local community. I understand the values that make this wonderful community such a special place in which to live and learn. At Mersey View Learning Trust, we foster a culture of high expectations that reflects our determination to give every child the best possible start in life.

I am passionate about creating opportunities for every child to thrive academically, socially and emotionally and I believe that strong partnerships with parents and carers are key to achieving this. Our family of successful schools, with their unique strengths, support and inspire all children to achieve their potential.

As I step into this role, I am committed to building upon the trust's strong foundations to ensure that each and every child receives a high-quality education in a safe and nurturing environment. I look forward to working closely with our dedicated staff, governors, trustees and you, to shape a future where all pupils are empowered to succeed.
